

## HOSE RESTRAINTS

An economical range of hose restraints to anchor hose assemblies or restrain them should the hose part from the connection points. These are critically important when people are operating near high pressure hose assemblies.

(Other types and sizes are available on request)

PRODUCT CODE	SIZE RANGE (mm)	BREAKING STRAIN (kn)
OGHR028040GS	28-40	38
OGHR040050GS	40-50	24
OGHR050060GS	50-60	62
OGHR060070GS	60-70	62
